GEL POLISH COLOR BLACK

Additional Information

Description:

It is a gel polish color, with a smooth texture, excellent coverage, easy to apply, without streaks or transparency.

Risks and Precautions:

For professional use only.

Read the instructions carefully.

May cause an allergic reaction.

Avoid contact with skin and eyes.

Avoid exposure to dust.

Directions for Use (on gel nails):

1. Apply one or two thin, even coats so that after curing they do not wrinkle.
2. Cure under UV lamp for 2 minutes or LED lamp for 1 minute (recommended to use lamps with good LED light distribution). Times may vary depending on the devices/lamps used, as well as their power.
3. Check complete curing of the layers.
4. After curing, apply the top coat most suitable for the chosen base.
5. Do not touch the surface for approximately 1 minute after curing the top coat.

Directions for Use (on acrylic nails):

1. It is recommended to use Haft Gel (gel primer) 5ml before applying the color to prevent chipping at the tips.
2. Follow all steps described in "Directions for Use (on gel nails)".

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.

Ingredients: Aliphatic Urethane Acrylate, Polyethylene glycol 200 dimethacrylate, Unsaturated acrylic resin, Tricyclodecan Dimethanol Diacrylate, Aliphatic Urethane Diacrylate, Ethylphenyl(2,4,6-trimethylbenzoyl)phosphinate, Tetraethylene Glycol Diacrylate, PEG-4 Dimethacrylate, Silica Dimethyl Silylate, Cellulose Acetate Butyrate, BHT, Polyester Resin, Ethylhexyl Acrylate, Hydroquinone, Modified Polysiloxane, p-Hydroxyanisole, CI 77499.

Capacity: 10ml
