CHAMELEON ART GEL - LIGHT BLUE

Additional Information

Description:

Chameleon Art Gel is an excellent Painting Gel! This gel was created in partnership with Krisztina Kalmár to achieve the highest quality on the market. With it, it is possible to create Nail Art using Zhostovo, 3D, Paint Design, Porcelain techniques, and anything else your imagination can produce. Extremely pigmented gels.

It is possible to make strokes over gloss gel (already cured), as Chameleon Painting Gel adheres to the shine, without requiring an additional coat.

Risks and Precautions:

For professional use only.

Avoid contact with skin and eyes.

Discontinue use if irritation occurs. In case of contact with eyes, rinse abundantly with water.

Keep out of reach of children.

Directions for Use: After building and finishing the acrylic, gel, or gel polish nail with top coat, place a small drop on a clean and dry surface to avoid contaminating the product. With a painting brush, take a small portion and paint over the finished nail, creating the desired nail art effects. Cure under UV for 30 seconds (time may vary depending on the device used). Does not require top coat again.

Note: The product is sensitive to UV radiation. Do not expose to sunlight or UV light.
